### **Mission and Objectives**

**2017**

Welcome to the 2017 Whitewater High School Football program! The Wildcat Football program is led by Head Coach Bryan Holley and consists of a Junior Varsity and Varsity team. Our goal is to have an integrated program that includes parents, players, sponsors, students, alumni, WHS administration and our surrounding community.

The Whitewater Football program is supported by the Whitewater Touchdown Club for the sole purpose of supporting the players, coaches, and football facilities. The Touchdown Club Board consists exclusively of volunteers who invest their time to ensure the WHS Football Program is considered one of the elite programs in the State of Georgia.

As parents and supporting groups of our program, we ask that each of you contribute in our Vision below. Opportunities include, volunteering your time, donating desirable auction items, attending or participating in all events, getting friends/neighbors (non-parents) to come to home games, making noise on Friday nights and supporting all the players and coaches...win or lose!

#### **Goals**

- Ongoing Facilities & Equipment Improvements
- Locker Room Upgrades & Uniform Replacement
- Continue to Increase Community Involvement and Corporate Sponsorships
- Coordinate students, cheerleaders, band, faculty and press box to enhance Friday night experience and increase attendance

## **Mission Statement**

*The mission of the Whitewater High School Touchdown Club is to provide the necessary resources and infrastructure needed to allow the coaches and players to compete at the highest levels within the State. Through fundraising efforts, special projects, community outreach and relationships with all of our parents, student body and WHS administration, our mission is to build an organization off the field that will allow Wildcat Football to be a highly regarded program within the State of Georgia and nationally.*

### Registration Fees

The Fayette County Board of Education does not provide financial support for any of the Athletic Programs within the County. The Whitewater Touchdown Club must raise the money to operate and support our Football Program at Whitewater High School. The Touchdown Club does an amazing job of raising sponsorship money; but the sponsorship amounts do not sustain our growing program. The Registration Fee is the necessary component that allows our program to grow and get better. Ultimately providing our Football Team with the resources to have a positive and successful program.
