Jr. Wildcat Football Camp

Whitewater High School will be hosting its first youth football camp July 17 thru July 19, 2018, for any young man grades 2-8. The camp will expose the campers to the fundamentals of all three phases of the game- Defense, Offense and Special Teams. There will be absolutely **NO** contact during the camp and **NO** experience playing football is needed. Some of the topics covered will include quarterback skills, wide receiver skills, Lineman skills, kicking technique and Defensive back techniques. Campers will also receive instruction on other areas of the game such as nutrition, weight training and winning in the classroom. At the end of each day campers will compete in a skills competition. On the last day all campers will receive a camp t-shirt.

We would like to personally invite you to become part of the "NEXT MAN IN" at Whitewater High School. The "NEXT MAN IN" philosophy is to instill confidence in each and every member of the program to perform at their peak when called upon to do so. The NEXT MAN IN is about getting the most out of each and every player and getting him to play above his means. We want to create a feeling of importance among players in the classroom, practice field and in the community. If they know they have to be prepared to play at a high level on a moment's notice, they will be forced to work hard to keep themselves ready. Wildcat Football wants everyone to feel that sense of urgency on a daily basis.
